PROGRESS REPORTS & RETENTION

Progress reports for the 4th quarter will be processed the week of May 14th and will be viewable on Parent Connect.

Students who receive 3 or more semester E's in core classes face a retention review in June. Summer school information has not been determined yet. Mrs. Portscheller will have more information in June. Please continue to check the website.

At this point, there is still enough time for students to increase their grades to a passing level. Parent Connect and Homework Helpers are very helpful ways to monitor your student's progress.
