Board Policies

Policy #5517.01: Bullying

It is the policy of the District to provide a safe and nurturing educational environment for all of its students. This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior.

Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation.

Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

This policy applies to all "at school" activities in the District, including activities on school property, in a school vehicle, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

Any student who believes s/he has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or Assistant Principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board president.

Bullying is defined as any written, verbal, or physical act, including cyber bullying that, without regard to its subject matter or motivating circumstance, is intended or that a reasonable person would know is likely to harm one (1) or more students either directly or indirectly. Bullying can be physical, verbal, psychological or a combination of all three.

Policy #5330: Use of Medications

Should it be necessary for a student to take medication during the course of the school day, all containers must be kept in the main office to prevent accidental abuse. Medication must be in the original bottle and clearly labeled, identifying the student by name, the contents, the dosage, and the time(s) at which the medication should be administered.

Student medications must be submitted to the office along with a physician's note detailing its administration and Board policy form 5330F1 available through the main office. Main office personnel will dispense medication to students at the office as per the physician's written directions regarding its use.

Medication other than that prescribed by a licensed physician (i.e. aspirin, Tylenol, cough drops, etc.) will not be dispensed or distributed through the office without written directions from the doctor's office and the proper form (5330F1) on file.

It is **illegal** for any student to carry or distribute medication of any sort, including, but not limited to:

- Aspirin or other pain killers (i.e. *Tylenol*, *Advil*, etc.)
- Cough drops
- Inhaler (unless ordered by a physician and documented using form 5330F1a [available through the main office])

Policy #8330: Student Records

In order to provide appropriate educational services and programming, the Board of Education must collect, retain, and use information about individual students. Simultaneously, the Board recognizes the need to safeguard student's privacy and restrict access to student's personally identifiable information.

Each year the Superintendent shall provide public notice to students and their parents of the District's intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information" the following: student name, address, telephone, date and place of birth, heights and weight (if member of an athletic team) and date of graduation. Parents and eligible students may refuse to allow the District to disclose any or all of such "directory information" upon written notification to the District within ten (10) days after receipt of the District's public notice.

Policy #6152: Student Fees, Fines and Supplies

OW Best charges specific fees for non-curricular activities and programs. Such fees or charges are determined by the cost of materials, freight/handling fees, and add-on fees for loss or damage of school property. The school and staff do not make a profit. The District will provide all basic supplies needed to complete the required course curriculum. The student and/or his family may choose to purchase their own supplies if they desire to have a greater quantity or quality of supplies, or desire to help conserve the limited resources for use by others. The teacher or administrator may recommend useful supplies for these purposes.

Policy #7540.03: Computer Technology and Networks

Before any student may take advantage of the school's computer network and the internet, s/he and his/her parents must sign an agreement which defines the conditions under which the student may participate. Failure to abide by all of the terms of the agreement may lead to termination of the student's computer account and possible disciplinary action as outlined in the Student Code of Conduct or referral to law enforcement authorities.

Policy #5200: Attendance Policy

The Board of Education as an agency of the State is required to enforce the regular attendance of students. The Board recognizes that the presence in the classroom enables the student to participate in instruction, class discussions, and other related activities. As such, regular attendance and classroom participation are integral to instilling incentives for the student to excel.

Attendance shall be required of all District students during the days and hours that the school is in session or during the attendance sessions to which s/he has been assigned.

The Superintendent shall require, from the parent of each student or from an adult student who has been absent for any reason, a written statement and/or confirmation of the cause for such absence. The Board reserves the right to verify such statements and to investigate the cause of each.

Michigan law states that all children are expected to attend school consistently during the school year. Excessive tardies and/or absences will result in notification by the school. Continued tardiness/non-attendance may result in school contact with the local attendance officer, who will take whatever actions necessary to correct this situation.

STUDENT CODE OF CONDUCT

The Student Code of Conduct is designed to promote the safety and welfare of students and maintain an environment conducive to learning. **The rules contained herein will be enforced on all District 7 school property and at all school activities. Failure to follow the code of conduct will result in appropriate consequences that encourage student responsibility. These consequences include, but are not limited to, the following: Student Responsibility Center (SRC), community service, Saturday School, and out of school suspension. O.W. Best follows progressive discipline, meaning with increased infractions of the rules, consequences are also increased. Discipline is applied on an individual basis taking into account past performance and other mitigating circumstances.**

The student planner contains the signature cards for the entire year. This planner is required to be with the student in every class, every day. While the first planner is given to the student free of charge, if a student loses their planner, they must purchase a new planner for five dollars. At any time there is a minor disciplinary problem a teacher/adult will ask you for this SIGNATURE CARD. The card will be signed and dated by the teacher/adult who witnessed the disciplinary problem. Should you earn a tenth signature on your card, you will receive Saturday School and will no longer have a card. Further behavior problems will result in a referral. Anyone failing to serve an assigned Saturday School will receive a one day Out of School Suspension.

If the teacher/adult asks for this **SIGNATURE CARD** and the student does not have it, the student will receive an extra signature for having to go and get it. If a student cannot get their card or has lost this card they may get a new one from an administrator and will automatically have 3 signatures filled in for losing this card. The second time this card is lost or cannot be provided, a student will automatically be given Saturday School.

Due Process Rights

The Board of Education recognizes the importance of safeguarding a student's constitutional rights, particularly when subject to the District's disciplinary procedures. To better ensure appropriate due-process is provided a student, the Board establishes the following guidelines.

A **Students subject to short-term suspension:**

Except when emergency removal is warranted, a student must be given oral or written notice of the charges against him/her and the opportunity to respond prior to the implementation of a suspension. When emergency removal has been implemented, notice and opportunity to respond shall occur as soon as reasonably possible. The principal or other designated administrator shall provide the opportunity to be heard and shall be responsible for making the suspension decision. An appeal may be addressed to the Superintendent whose decision will be final.

B **Students subject to long-term suspension and expulsion:**

A student and his/her parent or guardian shall be given written notice of the intention to suspend or expel and the reasons therefore, and an opportunity to appear with a representative before the Board to answer the charges. The student and/or his /her guardian shall also be provided a brief description of the students' rights and of the hearing procedure. A student may present witnesses in his/her behalf and may be represented by counsel at the student's expense. At the student's request, the hearing may be private, but the Board must act publicly. The Board shall act on any appeal, which must be submitted in writing, to an expulsion (Policy 5610 and/or Policy 5610.01) to a request for reinstatement (Policy 5610.01), or to a request for admission after being permanently expelled from another district (Policy 5610.01), or to a request for admission after being permanently expelled from another district (Policy 5610/01)

Breakfast is free for all students.
- 002 Closed Campus: Students are not permitted to leave the building during the school day without checking out at the office.

ATTENDANCE POLICIES

- 008 Truancy: Success in school is based on hard work and good attendance. The State of Michigan requires that students under the age of 16 attend school regularly. Schools are to hold students accountable for not being in regular school attendance. In the event of excessive absences, 10 days in one school year, the school will initiate the truancy process.

At 7 UNEXCUSED ABSENCES, OW Best will attempt to contact the parent/guardian to remind you of our attendance policies and stress the importance of consistent attendance.

At 10 UNEXCUSED ABSENCES, OW Best will send a warning letter to the parent/guardian and attempt to set up a meeting with an Administrator in an attempt to resolve the truancy problem.

At 15 UNEXCUSED ABSENCES, O.W. Best will send a second warning letter, via certified mail, to the parent/guardian and attempt to set up a meeting with an Administrator.

AT 18 UNEXCUSED ABSENCES (10% OF THE SCHOOL YEAR), O.W. Best will file a formal truancy complaint with the 3rd Circuit Court of Wayne County.

A letter from a doctor, a funeral, or a court are the only way to excuse an absence from counting towards truancy. Vacations still count towards truancy.

The 7, 10 and 15 and 18 numbers listed above are hard numbers. OW Best is required by the State of Michigan to act.

- 009 Early Dismissals: A written request for an early dismissal, designating the time, must be brought to the office before school. If a note is not provided, the parent must come into the office to pick up their child.

- 010 Absences for Vacation: OW Best Middle School **DISCOURAGES** parents from taking students out of school for vacations. The school schedule allows time for vacation at winter break, spring break and during the summer. Parents/guardians are encouraged to plan vacations during these periods. In the event that a student will be gone for an extended period of time, the parents must sign a vacation form at least one week in advance so teachers have time to collect work for the student that they will miss. **This work must be returned upon a student's return to school.** Vacations **are not** excused absences; the days missed will count towards truancy.
- 011 School Activities and Absences: A student may not attend any school activity on days he/she is absent from school for three or more hours/class periods. This includes band concerts, athletic events or other extracurricular activities.
- 012 Absences and Homework: If a student is out **three or more consecutive days** the parent may request homework assignments. Please call the office to make arrangements. If requested homework is not picked up at the arranged time, a request will not be honored again. Upon returning from an absence, it is the **student's responsibility** to check the homework page and contact his/her teachers regarding make-up work. Work must be requested and turned in to count. Please refer to the missing work policy.
- 013 Suspension Homework: In the case of a student suspension that is less than 3 days, it is the student's responsibility to get the missing work upon return to school.
- In the case of a student suspension three days or longer, homework will be requested and sent to the office to be picked up by a parent. **It is the student's responsibility to turn the homework into the teacher upon returning to school. Suspension homework will not be taken late.**
- 014 Physical Education: A student who cannot participate in physical education due to illness or injury must provide the school with documentation from a doctor describing the nature and duration of the illness/injury.
- 015 Tardies: Students have the responsibility of arriving to school on time and getting to their class within the five minutes allowed for changing of classes.

Tardies to school:

- 0-7 No consequence
- 8-10 An admin will attempt to make contact with a parent. All tardies are listed on the Pulse Report
- 11 and up could result in a penalty up to Saturday School.

Tardies between classes:

- 0-5 tardies between classes in a quarter: no consequences
- 6-9 tardies between classes in a quarter: Saturday School
- 10 -12 tardies in a quarter: one day out of school suspension and parent conference with the principal prior to a student being readmitted to school.
- 13 or more tardies: two day out of school suspension and a mandatory parent readmission conference before the student is allowed to return to school.

ACADEMIC POLICIES

- 016 Grading Policy: OW Best Middle School has a standardized grading policy for the entire school. Each letter grade is based upon a numeric percentage of an assignment. The letter grades range from A+ (100%) to E (59% and below). There is no D- grade. Work that is not turned in is designated as a (0%). Grades are available on line both on Parent Connect as well as to students directly on Student Connect.
- OW Best Middle School's grading policy stipulates that 50% of a student's grades is derived from homework or class work and 50% of the student's grade is derived from test, quizzes, common unit assessments and projects.

- 018 Late Work: Work turned in one day late will receive 90% credit. Work turned in 2-5 days late will received 75% credit. Late work will not be accepted after the assessment for the unit has been given.

The Board shall act on any appeal, which must be submitted in writing, to an expulsion (Policy 5610 and/or Policy 5610.01), or to a request for reinstatement (Policy 5610.01) or to a request for admission after being permanently expelled from another district (Policy 5610.01).

036 Persistent Disobedience: Some students simply continue to misbehave, even after having meetings with parents and with the administration of OW Best Middle School. When a student ignores warnings to stop misbehaving, their actions detract from the educational environment and keep their peers from learning. Parents choose to enroll their children into OW Best Middle School to receive a quality education in a safe, orderly environment. As administrators, our job is to keep the environment orderly and predictable so that students who want to learn have that opportunity.

The Administration of OW Best will not allow a student who persistently disobeys school rules or staff to remain in the school. The persistent disobedience rules are as follows:

On the 15th referral during a school year, the 15th referral will be labeled “*persistent disobedience*” and the student will be subject to an immediate 3 day suspension and a mandatory parent conference prior to the student’s return to school.

On the 16th referral during a school year, the referral will be labeled “*persistent disobedience*” and the student will be subject to an immediate 7 day suspension and a mandatory parent conference prior to the student’s return to school.

On the 17th referral during a school year, the referral will be labeled “*persistent disobedience*” and the student will be subject to a long term suspension for the remainder of the semester. A parent conference prior to the student’s return to school is required.

If a student is caught harassing or threatening other students or staff using a social networking site, appropriate disciplinary action will be taken on a case by case basis. This includes sharing inappropriate videos and images. Sharing bullying and fight videos is an example.
