Dear Parents/Guardians:

This letter is to inform you that the Dearborn Heights Police K-9 unit was called upon today to assist in the search of lockers for illegal substances. Students remained in closed classrooms during the inspection and did not come in direct contact with the dogs during this search. We are very pleased to report that no illegal substances were found.

Please note that this procedure was a preventative measure, was not brought about by any recent incidents of illegal substances, and was scheduled weeks in advance. Today's event was for the safety and well-being of everyone. We are committed to creating an environment that is safe for all students. Please feel free to contact us if you have any questions or comments.

Respectfully,

*Aaron Mollett*
